

Scwire®

by OrthoPediatics

“Half Screw, Half Wire”...

Introducing the **Scwire®**
by **OrthoPediatics™**

The world of fracture care has entered a new age.

Every good and noble hero needs special weapons to do battle everyday. The unique engineering and design of the multipurpose Scwire® provides agility, compression and superior fixation.

Available in 2.5mm with multiple thread length options for a variety of applications.

To learn more about the many possibilities with the Scwire®, please contact your local sales representative or visit us at www.OrthoPediatics.com.

OrthoPediatics.

Because children are not just small adults.™
